3 SIZES/STYLES
JUST ADD A LOGO!

Travelling with this convenient soap tube means not having to touch public dispensers.

A Timely Message with a Totally Unique Promotional Product!

Hand washing is the most effective way to avoid contracting a respiratory virus like COVID-19. It's a message we can't hear often enough. This unique product and packaging offers you an opportunity to change behaviors in ways that reduce risk and make a difference. With over 450 available spices and other ingredients, we can also create the perfect custom promotion theme. It's a recipe for success!
